

# ALL THE BASICS ON ADULT GUARDIANSHIP

Are you a family member with questions or concerns about petitioning for an adult guardianship/conservatorship?

Are you a provider who sees families struggle with guardianship? Do **you** want to know more?

Are you planning or have already been appointed as a guardian or conservator and need to know more about your responsibilities?

Would you like to know more about guardianship improvement and resources?

## Who should attend? **FREE and open to the public**

- Family members, general community
- Service providers such as case managers, care coordinators, administrators...any provider working with and support individuals with guardians and family guardians.
